The lynx does not want a dam!

One of the oldest national parks in Europe is under attack. Macedonia intends to build two large hydropower plants in the habitat of the last remaining population of the Balkan lynx. If the projects go ahead as foreseen, it may go extinct. Call on the banks and the Macedonian Prime Minister to scrap the projects!

Letter

To: To the Macedonian Prime Minister, to the President of the EBRD (European Bank for Reconstruction and Development) and to the World Bank's Country Director for Southeast Europe

Dear Prime Minister Nikola Gruevski, dear Ellen Goldstein, dear Sir Suma Chakrabarti,

You are intending to support the construction of two large hydropower plants in Mavrovo National Park, Macedonia – one of the oldest national parks in Europe.

Both projects undermine the very idea of national parks in which the protection of
